

## Fault Report 18

Test	65
Test Performed By	Robert McLeod
eMail	robertwimcleod@gmail.com
Date tested	2014-06-10

Problem Category:

X Functionality                      \_ Requirement                      \_ Standards                      \_ Interface

Problem Description:

While adding a Presenter on the website, the title field can not contain any punctuation. In particular this is an issue for including the period at the end. For instance Mr.
