

Fault Report 17

Test	65
Test Performed By	Robert McLeod
eMail	robertwimcleod@gmail.com
Date tested	2014-06-10

Problem Category:

X Functionality _ Requirement _ Standards _ Interface

Problem Description:

The website does not allow for adding of Presenters without a Qualification. I would think that not every Presenter is going to have a qualification. Suggestion, remove NOT NULL from the field in database and remove the required status for validation.
